

The Michigan Traffic Crash Facts website (michigantrafficcrashfacts.org) developed and maintained for the Michigan State Police Office of Highway Safety Planning by the University of Michigan Transportation Research Institute has been awarded First Place in the **2010 Best Traffic Records Web Site Competition** from the Association of Transportation Safety Professionals (ATSIP). The award was presented to the Office of Highway Safety Planning at the Traffic Records Forum on July 27, 2010 in New Orleans, Louisiana. The website also won the ATSIP awards in 2005 & 2007.

Please visit <http://www.atsip.org> to learn more about the ATSIP.
